### Starter Kit FAQ

**Q. Does the starter kit include a Ruckus support contract?**

**A.** No. You will also need to purchase a 1, 3 or 5 year Ruckus support contract for the ZoneDirector Wi-Fi controller.

**Q. How does the Ruckus solution perform for very high client density?**

**A.** Best in class! Here are 3 third party Wi-Fi high-client density Wi-Fi bake-off tests that Ruckus won: [Syracuse University](#), [Wireless LAN Pros](#), and [Tom's Hardware](#).

**Q. What is the maximum number of Wi-Fi Access points the ZoneDirector 3000 can support?**

**A.** The ZoneDirector 3000 can support up to 500 AP's via AP license upgrades. If you would like to support more than 500 access points, Ruckus offers Wi-Fi controllers that scale to 10,000 access points.
