The Fulcrum Group's Virtual Lunch & Learn
Top 5 Cybersecurity Concerns for City Managers

The stakes have never been higher for state and local governments looking to protect invaluable data from cyberattacks.

Scenario - even with all the mandatory trainings, the phishing email came in, the employee clicked the link, and now everyone is asking you what you want to do about it! We'll share some best practices, AND, what the city can do prior to this nightmare happening – not only how to detect and respond, but also ways to monitor and prevent.

*Join us on **Wednesday, June 22, 2022** to learn how your agency can immediately strengthen your cybersecurity posture.*

Please join us for lunch on us via DoorDash, and our informative discussion on **Top 5 Cybersecurity Concerns for City Managers** Microsoft Teams educational webinar!
